Anthem LiveHealth Online

www.livehealthonline.com

or mobile app

****Registration Required****

- Board-certified doctors or licensed therapist through live video on your smartphone, tablet, or computer with a webcam.
- Get the care you need when you need it, sign up online or use the free mobile app to access.

Board-certified doctors are available on demand 24/7 with no appointments or long wait times! Doctors can assess employee's condition, give medical advice, and even send prescriptions to the pharmacy of the employee's choice, if needed.

If you are feeling anxious or have trouble coping on their own, employees can talk with a therapist online. In most cases, they can set up a visit and see a therapist in four days or less.
